

Onsite Wastewater Registration Program

Applied Science
Technologists & Technicians
of British Columbia

Registered Onsite Wastewater Practitioners (ROWP) Onsite Wastewater Trainees (OWT)

This interim list is a temporary listing only and will be updated regularly as ROWPs and OWTs are passed through the Onsite Wastewater Registration Board. This interim list will be replaced with proper search sections in the Site Map that will contain a "Registrant Listing" and a how to "Contact a ROWP" in your area. If you are uncertain of the contents of this interim list or whether an individual is registered as an ROWP or OWT, please contact Karen Taylor for clarification at (604) 585-2788, ext. 236.

Disciplines: Planner (PL), Installer (IN), Maintenance Provider (MP), Private Inspector - Residential (PIR), Private Inspector - Commercial (PIC). The Trainee will work under the supervision of an authorized person.

Please use the binocular located on the tool bar to find the City in which you are seeking a ROWP.

Listing as of August 24, 2009

Disclaimer:

This is an interim listing of individuals that are registered as a Registered Onsite Wastewater Practitioner (ROWP) and Onsite Wastewater Trainee (OWT). While ASTTBC is endeavoring to keep this list current, given the ongoing process of Registering ROWPs and OWTs, it may be possible that all current Registrants and their categories of practice may not be shown. If any clarification is required as to an individual's certification or registration, please contact Karen Taylor at (604) 585-2788, ext. 236.

At certain places on the site, live links to other Web sites can be accessed. Such external sites contain information created, published, maintained or otherwise posted by institutions independent of ASTTBC. ASTTBC does not endorse, approve, certify or control these external sites and does not guarantee the accuracy, completeness, efficacy or timeliness of information located at such sites. Use of any information obtained from such sites is voluntary, and reliance on it should only be undertaken after an independent review by qualified experts. Reference therein to any specific commercial product, process or service does not constitute or imply endorsement, recommendation or favouring by ASTTBC.
