

ASTTBC Signs Historic Agreement with WCOVMA – Onsite Sewage Association

ASTTBC and WCOVMA sign MoA. Seated are WCOVMA President, Brent Dennis (Left) and ASTTBC CEO John Leech, ASCT, CAE. Standing are (left to right): Garth Millan, ROWP, Vice-President; Dave Cherry, ROWP, Director; Graham Tabaczuk, ROWP, Secretary/Treasurer; and, John Colongard, ROWP, Director.

ASTTBC and the Western Canada Onsite Sewage Management Association signed a Memorandum of Agreement this past summer. “This agreement sets the foundation for a collaborative partnership that will deliver high standards of professional registration and services for the public and practitioners,” said ASTTBC CEO John Leech. “ASTTBC benefits when we have a close cooperative working relationship with our key stakeholders.”

Brent Dennis, PEng, WCOVMA President said, “Many thanks for everything leading up to the MOA and your time today to drive it home. It really set the tempo for the rest of the day.” Brent went on to talk about the ASTTBC - WCOAM-BC linkage, “Our continued partnership will be very powerful I’m sure. From the meeting came many great ideas and initiatives with most coming to fruition, at the 2015 Convention of course. It will be a very good year for us both.”

The MoA was signed at a meeting of the WCOVMA Board in Nanaimo.
